

Animation Night 2021

7:00pm May 19th

www.facebook.com/collegeofdupage

You are cordially invited to the 11th annual Motion Picture/Television Animation Night on Wednesday, May 19th on Facebook. The program will start at 7:00pm. This event showcases the work of student animators from the Motion Picture / Television program and celebrates the talent, enthusiasm, and creativity of our artists. The animation projects will include portfolio work from current students, animations from several area high schools and projects from other College of DuPage animation classes. We promise an exciting evening for all!

*Here is the link to the Facebook page that will host Animation Night 2021! The actual program link will be available on this page after May 12th.
