

The Ice Fest has been a fun winter event to get people out of their house and in to downtown Downers Grove. The Ice Fest this year will run much like it did last year. We will plan on live carvings on both Saturday and Sunday to minimize the crowding.

Everyone was so creative last year that we have chosen to keep the theme open for interpretation!

As always, we will have you provide us with 3 options as to avoid repeats if possible! Can't wait to see the creative sculptures line the street!

Stock Sculpture

Each stock ice sculpture measures approximately 40"x20"x10" the cost for each is \$275.00. Stock sculptures listed on back.

Custom Sculpture

If you purchased a custom sculpture last year & want the same design it will be the price of a stock sculpture (\$275.00). A new custom sculpture is \$325.00 and up depending on design. We hold the right to refuse any custom sculpture design.

Light Option: \$50.00. Color choice BLUE, RED or MULTI color.

Color: If you want color added to your sculpture it is an additional \$50.00
